Re: Permit to Operate: Warren County Transfer Station
Permit amendment
Wake County, North Carolina, Permit No. 93-02T, Doc ID No. 4172

Dear Mr. Brothers and Mr. Bodenhamer:

Enclosed is Permit No. 93-02T for the Warren County Transfer Station in Warren County. The Permit is issued for a five-year period and approves the continued operation of the facility.

In general, the new facility permit does not reiterate permit conditions which are included in the Solid Waste Management Rules, 15A NCAC 13B, nor does it restate specific conditions which are included within the approved plans.

Please review the conditions of the permit thoroughly. Ms. Mary Whaley is the Solid Waste Section Waste Management Specialist for your area, and can be reached at (919) 693-5023. If you have questions about your permit, please contact me at (919) 508-8510.

Sincerely,

Donna J. Wilson
Environmental Engineer
